RMHS PIONEER

CLASS OF 2012 GRADUATES

On August 28, 2008, roughly 300 students walked through the doors of Reading Memorial High School on what would be their first day in a brand new world. Some students had been together since their first years of school, others reunited after three years apart, and some had never even met. Throughout the years, we all grew together as a class, each aspiring to make our mark on the school in various different areas while getting to know one another. Together we have shared many happy memories, made some of our closest friends, and learned many valuable life lessons. Now, nearly four years later, on June 3, 2012, we will end this chapter of our life and leave to begin a new one. We will never forget our wonderful years at RMHS or the happy memories we have shared. Although apart, together, we the RMHS Class of 2012, will make our mark on the world.

RETIREES

For 19 years, Mr. Endslow has led the RMHS Drama Club to great success and praise. Taking a club of only 12 people and expanding it to involve roughly 200 students is just one of Mr. Endslow's plethora of accomplishments. He has made the club a well-known part of RMHS and challenged hundreds of actors and technicians in many amazing ways.

He has taught Acting and Technical Theatre classes that are favorites among students inside and outside of the Drama Club. Mr Endslow has undoubtedly left an incredible influence on so many RMHS students as a teacher and director.

He will be deeply missed next year. On behalf of the entire RMHS Drama Club and everyone who has ever had Mr. Endslow as a teacher, we wish him the best of luck in the future endeavors of his retirement.

Ms. Freedman joined the RMHS administration in the fall of 2009. As our principal, she has influenced our school community in many positive ways. Ms. Freedman took an active role in her leadership by visiting classrooms and being a visible presence in the hallways, cafeteria and at school events. She always did her best to gain student and teacher perspective on current school issues. In addition, she has helped to start and advise the peer leadership student club, A World of Difference, which allows students to travel to middle schools to raise awareness of the dangers of bullying and help to build a more positive, safe school environment for all.

It is evident that Principal Freedman genuinely cares about the well-being of her students and the educational atmosphere at RMHS. Her open door, smiling face, and listening ear have been much appreciated by students and faculty alike during her tenure at RMHS. Ms. Freedman will be missed dearly by the RMHS community. We all wish her the best as she begins her next chapter in life.

DEDICATION

Meaghan McSherry and Emeline Festa

On behalf of the yearbook staff, this year's yearbook is dedicated to our advisors.

For the past three years, Ms. McSherry and Mrs. Festa have been instrumental in the production of the Pioneer. That yearbook you're holding right now would not exist if it weren't for the hard work and dedication they put in each and every day to make sure things got done on time and were up to par. Throughout the many setbacks and various delays we faced this year, they were the calm, cool, and collected voices of reason when the editors were going off the deep end.

Many do not realize the tremendous amount of responsibility and added stress that comes with agreeing to advise the yearbook staff and oversee the making of the book for just one year. Multiply that workload by three years and add it to the average teacher's stress and you have two wonderful people who will always be found smiling nonetheless.

I am so thankful to have had this opportunity to spend so much time with Mrs. Festa and Ms. McSherry and I look forward to seeing what great yearbooks are to come from them and the staff in the future!

READING PUBLIC SCHOOLS

Preparing Reading's Youth to Be Respectful and Productive Citizens of a Global Society

Dear Reading Memorial High School Class of 2012,

Congratulations on a very successful year! As a class, you have had many accomplishments during the thirteen years that you have been a part of the Reading Public Schools. You have excelled in academics, drama, music, extra-curricular activities, community service, and athletics. You have been leaders for your peers and have reached the high expectation levels that have been set by your teachers, advisors, coaches, and parents. It has been an honor and a privilege to be the Superintendent of Schools for such an outstanding group of young men and young women.

Ralph Waldo Emerson once said, "Do not follow where the path may lead. Go instead, where there is no path and leave a trail." You will have some amazing opportunities along the next leg of your journey, each with its own set of unique challenges, whether it is managing the rigorous expectations of college, securing a job, exploring your options or defending our country in the military. No matter which path you choose, I encourage each of you to make the best out of your experiences along your own personal journey and do something remarkable and worthy for our society.

On behalf of the Reading School Committee, the administration and staff of the Reading Public Schools, I congratulate you on completing your education here in Reading and wish you a healthy, happy and successful future.

Sincerely,

John F. Doherty, Ed.D.

READING PUBLIC SCHOOLS

Preparing Reading's Youth to Be Respectful and Productive Citizens of a Global Society

To the Awesome Class of 2012,

It has been a sincere pleasure to take this journey with you over the past three years as your Principal. Each and every day has been a pleasure as I watched you grow and blossom into very interesting young adults getting ready for adventure beyond the safe confines of our school. As we near the end of our time together, it is typical to become nostalgic about the bonds forged and connections made in the shared experience of RMHS. My memories are vivid, and I thank you for what I will take with me when I too leave RMHS this year. I will never forget your passion and energy for the seemingly never ending sources of focus -I write this on the night the girls' basketball team ruled the Garden-does it get better than this! But wait, just in the past week there has been *To Kill a Mockingbird*, cool jazz, A World of Difference, Dodgeball and so much more... memorable moments all!

Though at times a roller coaster ride, I sincerely hope you remember the peaks more than the valleys as I hope to. Remember, we stayed the course. We made it to the finish line. Go forth and take on your next adventure with the same zest, and you are sure to be a success. As the last class of my career, you will forever have a very special place in my heart. Congratulations!

Sincerely,

Elinor Freedman

Preparing Reading's Youth to Be Respectful and Productive Citizens of a Global Society

Dear Class of 2012,

Congratulations on the completion of your high school career. As a class you have accomplished many academic and extracurricular achievements. You have continued the tradition of excellence at RMHS.

As you advance your education, seek adventure, join the work force or pursue other interests, you will have the opportunity to continue your personal growth. You will face many challenges, opportunities and successes. Face the challenges with the knowledge that you can overcome anything. Grab onto the opportunities to continue your growth. Celebrate your successes.

The interconnected society that you will face upon leaving RMHS will provide you with added opportunities to learn and growth. Take advantage of everything the world has to offer; become a global citizen.

Because of students like you, I enjoy every day that I work at RMHS. You make me proud to be a part of the Reading community. You have inspired me to continue to grow and develop as an educator.

It has been a privilege to work with every member of the Class of 2012. Congratulations and best wishes.

READING PUBLIC SCHOOLS

Preparing Reading's Youth to Be Respectful and Productive Citizens of a Global Society

Dear Class of 2012,

It has been a pleasure to be a part of your lives for the past four years. Seeing you come together at the Freshman Fly-Up Day and Freshman Orientation, continue to grow during your high school tenure in so many ways, and flourish right through Senior Week and Commencement has been a joy to behold.

Reflecting on one of my favorite quotations, "You were born an original. Don't die a copy," I would like to emphasize that each one of you is a special person and has so much to offer. You possess your own strengths, attributes, and talents which cannot be duplicated by anyone else.

Cherish these gifts wisely. Have confidence in whom you are. Do not be afraid to advocate for yourself. Be willing to be "you" even if it means straying from the norm.

If you heed my words of advice, you will enjoy being yourself, people will accept you for the person you are, there will be no hurdles that you cannot overcome, and you will most assuredly be successful in whatever endeavors that you may pursue.

Good luck Class of 2012. I am proud of you, and I will miss you!

Respectfully,

Michael Scarpitto

RMHS boy's soccer team takes part in annual fundraising event

READING - On Saturday, October 1, the RMHS Boys' Soccer Team stepped outside the box and played a match for an important cause. They took their league game vs. Woburn off-site to Concord-Carlisle High School to participate, for the first time, in Kicks for Cancer, an annual fundraising event held in memory of Lois Wells, mother of CCHS assistant coach, Steve Wells.

Now in its fifth year, the event has grown from 2 teams playing a single game, in 2007, to 12 teams playing six games in 2011.

Town officials pleased with lessons learned from last week's massive school evacuation drill

By PAUL FEELY

READING - School and public safety officials are pleased with the results of last week's large-scale evacuation drill, and say the exercise was well worth efforts of the massive police, fire, and school personnel required to successfully conduct it.

"We were very happy with the results, the big picture," said Reading Police Chief James Cormier.

On October ..., the Reading public schools, Reading police department, and Reading fire department conducted a full scale evacuation drill of the Birch Meadow Complex, including the Birch Meadow Elementary School, Coolidge Middle School, RMHS, and RISE Preschool.

As part of the exercise, the complex was shut down to all traffic until the students and staff from each school were loaded and bused to pre-determined locations. The drill sim...

THANKSGIVING PEP RALLY

Walter E. Hawkes Field House
November 23, 2011

10 AM After a rowdy start to the day, all four grades poured into the field house along with faculty, parents, and alumni, for the annual pep rally. A tradition for as long as Reading High's history, the pep rally serves as a much -needed school spirit booster before the annual Thanksgiving footbal game. On the agenda this year was a whole lot of pies, relay races, tug-of-wars, teachers dancing (...?), and the long-awaited senior apache dance. Like a right of passage, every year the senior class joins in for their 30 seconds of fame. As freshmen, we watched in a mix of awe and confusion, but four years later there was nothing but excitement as we all joined in for our time to shine.

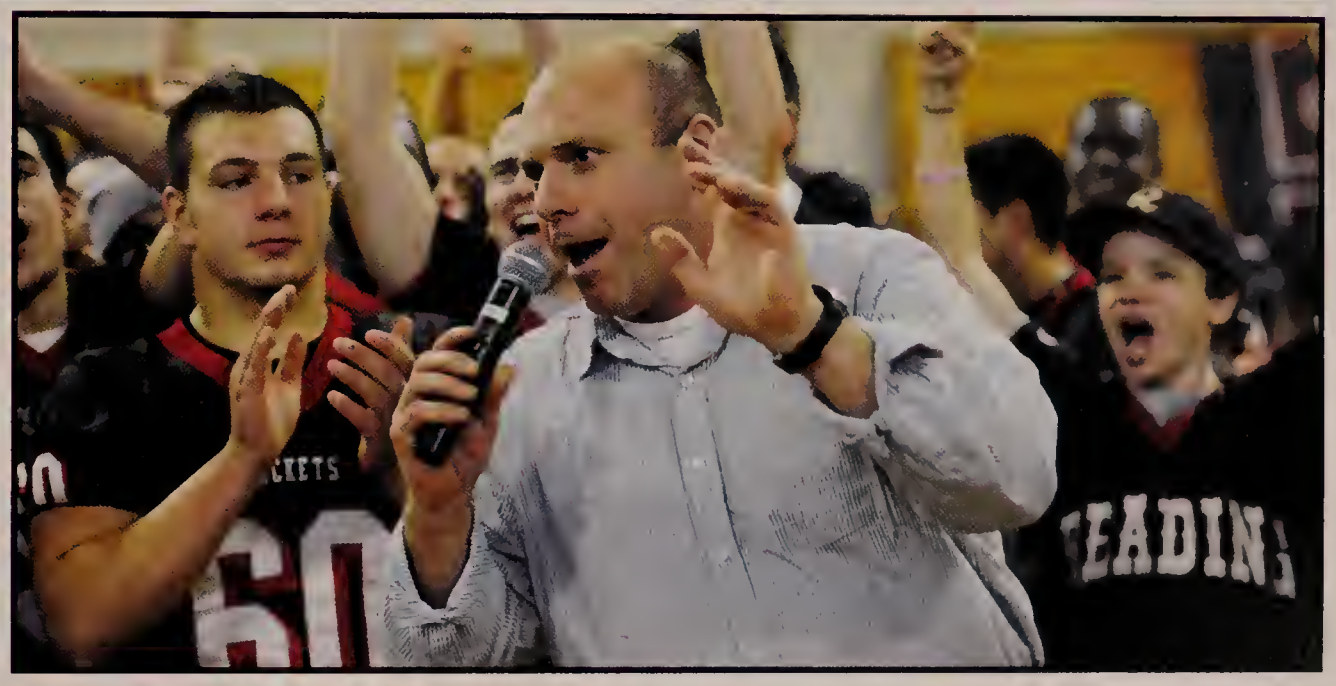

November 23, 2011 Hawkes Field House

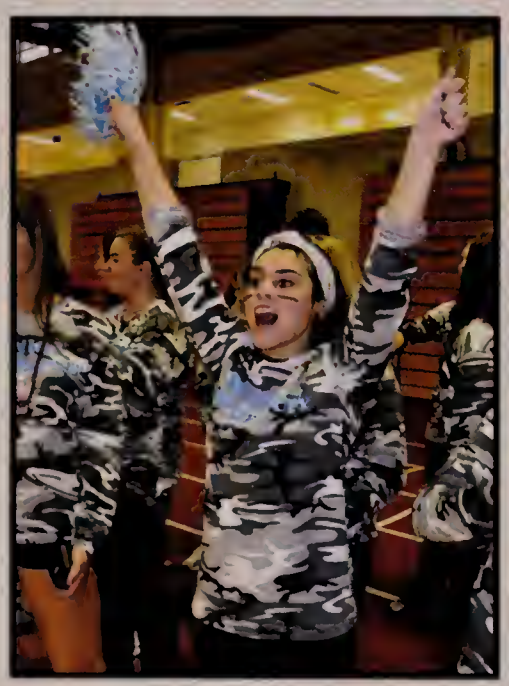

POWDERPUFF GAME

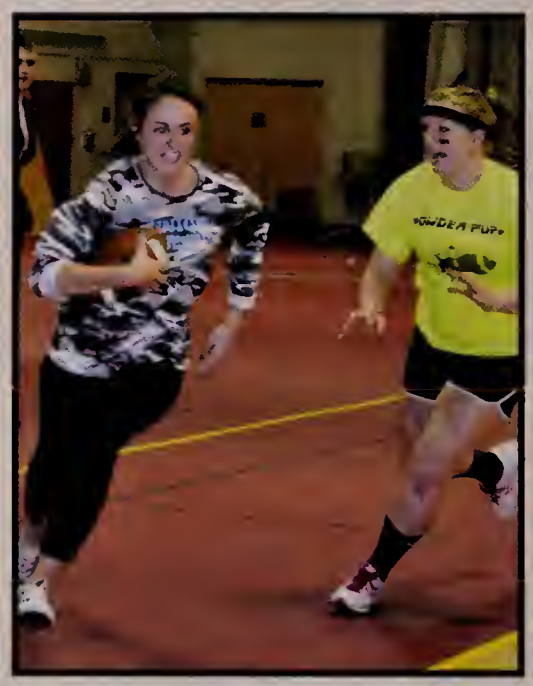

On a rainy afternoon following the pep rally, the junior and senior girls went head to head in the field house for the annual powderpuff game. After a shaky coaching staff and a promise of defeat by the juniors' coach, Mr. Harrison, the senior girls got off to a slow start. With some last minute help from the senior football players, the class of 2012 was able to turn things around with a final score of 28-23, continuing the tradition

THANKSGIVING GAME

t was a beautiful morning when fans from Reading and Stoneham flocked to the stadium, ready for a good game between two rivals. This year's game marked the 94th meeting of the Spartans and Rockets. Reading quickly showed everyone who was boss with a touchdown in the first nine seconds. Despite Stoneham's best effort, Reading won with a score of 34-14, leaving the record at 64-24-8, favoring Reading

My definition of high school would have to be ADVENTUROUS. Being at RMHS has been a great experience, from being a METCO student to attending a diverse setting. From freshmen year to senior year I can honestly say I have changed for the better and developed into a young woman. High school is what you make of it, you get out what you put in. Signing out; the quiet girl AKA the mirror girl. Class of 2012!

LETTER FROM THE EDITORS

To the Class of 2012,

We were so excited to find out that we would be the 2012 yearbook editors. It's a huge responsibility, but we tried to make it the best we possibly could. Though it has been a ton of work, we're so proud of the end result and look: IT'S IN COLOR!

All we can say is it's done and we hope you enjoy it. Countless hours, lots of stress, drama, money, and unanswered emails went into making the book of which you're now the proud owner! This year has certainly been a great one. We hope this book can help you relive all of your great RMHS memories a month, a year, or even a decade from now. It's been a great four years, guys. On behalf of the rest of the yearbook staff and our advisors, we wish you all the best in your years after RMHS, whatever they may hold.

Sincerely,
Haley Ashworth &Tina Pinheiro

JUNIOR PROM

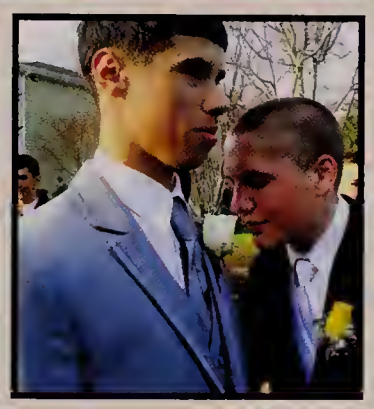

April 14, 2011 ~ Danversport Yacht Club

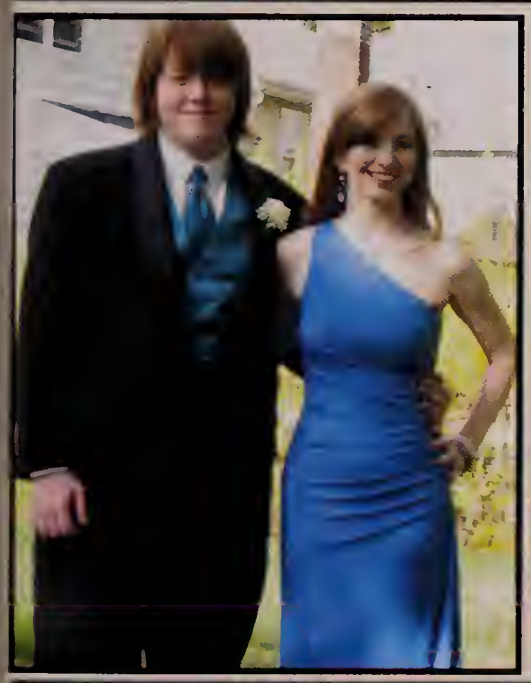

At the beginning of February 2011, 15-some- odd students boarded a plane on a one-way flight to Spain. Most of them already knew who they were staying with, but others had no idea what their host family even looked like. These young adventurers had the time of their lives traveling and visiting majestical and historical places. Places such as Toledo, Segovia, Madrid, and the grand city of Salamanca. During their stay in Spain, the students also had the opportunity to visit the famous aquaducts. Some lucky ones even got to experience a bull fight! In the famous city of Toledo, the students learned about the art of sword making (a good handful purchased an actual sword!). After two weeks of exploring and learning more about the Spanish culture, the American students had to say their goodbyes and return home. However, the memories they made and the moments they shared there will never be forgotten.

¡Vamonos a Puerto Rico!

During February 2012, 16 RMHS students, along with Sra. Alvarez and Srta. McSherry, traveled from Boston to San Juan for a week of cultural immersion, Spanish language learning and adventure in Puerto Rico! We explored and learned all about the island with the help of our two fantastic tour guides, Bernardo and Tito, from Vamonos Tours! Highlights include: hiking in and swimming in waterfalls of El Yunque, snorkeling and a catamaran boat ride in Fajardo, rowing through bat caves and ziplining in Utuado, experiencing Carnaval in Ponce, beach time in Boqueron, enjoying a cultural night learning traditional Puerto Rican dances in Lajas, competing in a scavenger hunt in Ponce's Plaza del Mercado, an elementary school visit in Guanica, salsa lessons at a dance school in Ponce and a tour of the beautiful Viejo San Juan! ¡Fantastico!

NEW YORK CITY

RMHS has many ties to New York City...

Every year the Spanish Club makes a trip down to NYC for a long weekend to experience Hispanic culture right here in the USA. This year, along with Sra. Smith and Srta. McSherry, students visited Ellis Island, the Hispanic Society of America Museum, NBC studios, the Spanish Repertory Theater and the United Nations. They also enjoyed authentic Spanish and Mexican cuisine in the city.

Dr. Ryan also offers his annual Opera trip to the Metropolitan Opera for Honors and AP level history students. When the class of 2012 first experienced the magic of Lincoln Center, it was to see "La Traviata," in all Italian. For some it was an unforgettable experience, and for others it was just proof that they prefer the movies instead. Those who continued their history education this year, were treated with the opportunity to attend the opera again, this time to see "Don Giovanni" and to endure the all night bus ride back to RMHS.

Despite the long bus rides, limited time frames and busy itineraries, both the Opera and the Spanish Club trips are favorites for everyone!

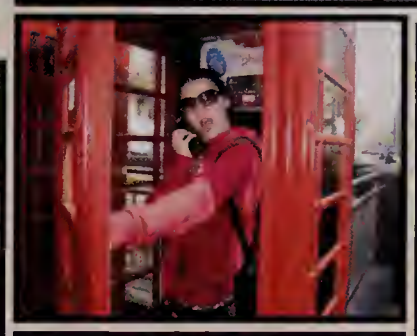

On a cloudy Saturday afternoon, 20-something students, and three chaperones departed from Logan Airport en route to Heathrow. For some it was their first time out of the country and for others it was their first time on a plane. In store for all of them was unusually warm weather, lots of walking, and Ms. Carolyn Goodyear. A week spent with her in the city proved to be not only fun, but informative as well. Visiting Trafalgar Square, Windsor Castle, seeing two shows ("Blood Brothers" and "Love Never Dies") as well as the crown jewels, and viewing the changing of the guards outside Buckingham Palace were highlights of the trip. Though there was always a shortage of sleep, shopaholics indulged when visiting Covent Garden, Camden Market, Harrods, and the very popular Top Shop. Boat rides on the River Thames, straddling the Prime Meridian, being annoyed by the German kids, and "minding the gap" on the Underground proved to make great memories and form new friendships on this very memorable trip across the Atlantic.

EUROPE

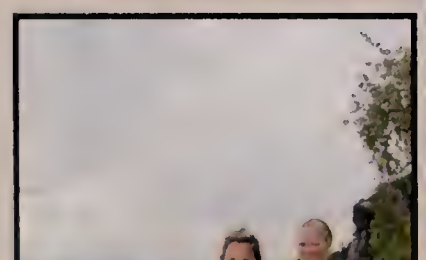

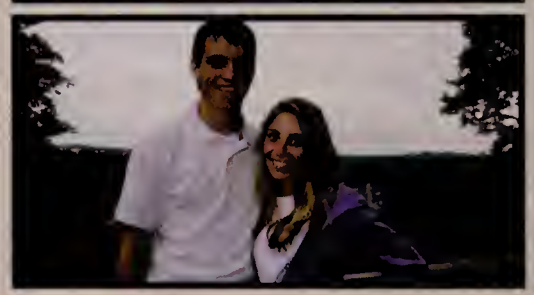

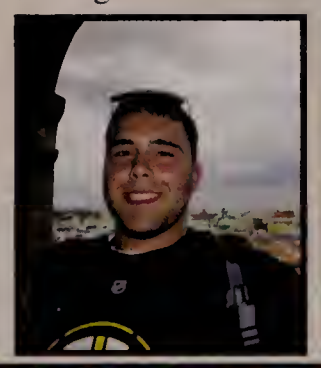

Dr. Ryan, Mr. Mooney, Mrs. Mosier, Mrs. Correa, and 42 RMHS students toured Central Europe shortly after finals in 2011. After an unexpectedly long layover in Paris, we arrived in Berlin and met our tour guide Manuel. We saw the Berlin Wall, the Brandenburg Gate, and the hotel where Michael Jackson held his baby out the window. We visited the rebuilt Dresden and the German Grand Canyon, Elbsandsteingebirge, on our way to Prague in the Czech Republic.We went on to Poland and were stunned by the atrocities of Auschwitz-Birkenau. The trip returned to its upbeat spirit when we toured Krakow and saw St. Mary's Cathedral, the Cloth Hall, the Bloody Knife, etc. On the way to Budapest, Hungary, we stopped in Donovalyin Slovakia where a Bruins fan bought lunch for many of the students when he saw one student wearing a Chara shirt. Our final few days were spent in Budapest, where we visited a Turkish bath, Hero's Square, and the Fisherman's Wharf before capping off the trip with a river cruise on the Danube. The incredible sights, delicious food, and great fun made this trip unforgettable.

Reading steps up for Kansas tornado

Wine tasting this weekend marks another chance to help out

By Steven Ryan
sryan@wickedlocal.com

Town Manager Peter Hechenbleikner calls it a series of successful "people-to-people connections" that Reading, Mass., organizations have developed with its counterparts in Reading, Kan., as the town seeks to do all it can to help its tornado-ravaged friends in the Midwest.

"The people in Reading, Kan., are really nice people," Hechenbleikner said. "They are so appreciative that the people in Reading, Mass., really care about them."

Reading, Mass., has raised between $5,000 and $5,500 in various ways to help people in Reading, Kan., devastated by a tornado back in May. Organizers hope a wine tasting on Oct. 20 at The Wine Bunker in Reading, Mass., could help bring even more much-needed funds to assist those in Reading, Kan., looking to get back on their feet.

"If we can raise $10,000, that is what we want to do," said Hechenbleikner about the wine tasting, which features a silent auction and a raffle.
